

CITY OF DAYTON

Named an "All-American City" by the National Civic League, Dayton, the "City of Neighbors", is comprised of 62 neighborhoods and 7 historic districts. A diverse and active city, Dayton offers a variety of housing styles: downtown urban living, wooded estates, and residential neighborhoods with picket fences. Daytonians are never far from cultural activities, sporting events, quiet city parks and greenspaces, or the upbeat tempo of the city's many entertainment venues.

The City of Dayton offers a "School System of Choices" with its unique and progressive Magnet Schools Program such as international studies, Montessori, computer technology/engineering, professional studies and visual & performing arts at 36 of the district's schools.

Admission

To enter Kindergarten, a child must be 5 years old on or before September 30 of the enrollment year and their parents or legal guardians must live within the School District. The successful completion of Kindergarten is a mandatory requirement for entrance into the first grade.

Admission to a magnet school program is based on applying within the designated time period, theme selection, available space and racial balance. Every attempt is made to assign students to one of the three magnet school choices indicated on the application. There is no academic admission requirement nor admission test for initial entry into any magnet program.

Initial entry into a magnet program occurs at Kindergarten, Grades 1,7 and 9.
